# 01. General Introduction

Welcome to **skin.me**, your ultimate destination for all things skincare. We're thrilled to have you here and embark on this journey to radiant, healthy skin together.

At **skin.me**, we believe that skincare is not just about looking good – it's about feeling confident in your own skin. That's why we've curated a comprehensive collection of skincare products, tips, and resources to help you achieve your skincare goals and unleash your inner glow.

Whether you're looking to address specific skin concerns like acne, aging, or dryness, or simply want to enhance your natural beauty with effective skincare solutions, we've got you covered. From cleansers and moisturizers to serums and masks, our carefully selected range of products caters to all skin types and concerns.

But we're more than just a skincare shop – we're your trusted skincare partner. Our team of experts is dedicated to providing you with expert advice, personalized recommendations, and the latest trends and insights in the world of skincare. We're here to guide you every step of the way on your skincare journey, ensuring that you feel confident and empowered in your skincare routine.

## 02. Problem Statement

1. Cambodian people did not know well about skin care.
2. There are many fake product on the market
3. few website about skin care in cambodia

## 03.PROJECT VISION

### Aim

Our team create website name skin.me that user can find the product according to their skin condition and also can buy skincare product from our website.
